Service and Repair Log

Machine ID:	Facility ID:	Inspector ID:

Date	Service/Repair Description	Date Tagged	Parts Ordered ¹	Date Ordered	Parts ² Installed	Date ³ Repair Completed
					·	

¹Parts must be ordered within the next business day.

²Repair parts must be installed within two business days after receipt.

NOTE: All leaks must be repaired within 7 working days or you must contact the local district. See back page of this handbook for phone number.

³A facility with a leak that has not been repaired by the end of the 7th business day after detection must not operate the dry cleaning machine until the leak is repaired, unless the local district grants a leak-repair extension.
